MICHAEL AND MARY

A fascinating drama of home life. A dramatic story of life and death dealing with the emotions of a woman who has been deserted by her husband and the son of a minister who provides for and later marries her.

"... it is a play that has won its way into the hearts of all types of audiences with its definite appeal to home life."---New York Times

"Michael and Mary does not moralize, but it will send you home with something to think about." ---Brooklyn Eagle.
