OPEN HOUSE . . .

It Is No Joke

More and more students are finding that they enjoy the friendly, efficient service they receive at two of Greeley's most progressive drug stores—REXALL stores of course, where beauty lines of the sort you love to use are carried. Elizabeth Arden, Cara Nome, Lucien Le Long and Barbara Gould are available to you who would keep yourself youthful and alluring. We have trained cosmeticians at each store.

At Gilbert-Bishop Drug Co. you will find the finest plate lunch waiting you every noon at the reasonable price of only 25c—air conditioning makes your lunch hour a pleasure, while for those of you leaving here this evening hot and thirsty you will find a tall glass of iced tea just the thing when you drive up and down the street. Drugs for fast, courteous CURB SERVICE. Open until midnight. Remember—"You save with safety at your Rexall Stores."
