THE ACADEMIC COSTUME

The hood gives color and meaning to the costume. The colored lining of the inside of the hood is the official color or colors of the institution conferring the degree.

In most cases, the color of the velvet trimming of the hood indicates the faculty or department. The colors of the various fields are: Arts and Letters, white; Education, light blue; Fine Arts, brown; Law, purple; Library Science, lemon; Music, pink; Philosophy, dark blue; Science, yellow; Theology, scarlet.

The bachelor wears no hood, only the cap and gown with long pointed sleeves. The gown is worn closed. The master wears a hood and gown with

sleeves cut off at the elbow. The doctor wears a larger hood and gown. Velvet panels are draped around the neck and stitched down the front edges. Three horizontal velvet bars are stitched on the upper arm of the full round bell-shaped sleeves, indicating the third and highest academic degree. The gown is worn open. The tassel of the doctor's cap is of gold bullion.

The unique costume for this University designating honors graduates receiving the Baccalaureate Degree is the tassell -- Scarlet-indicates a participant in the Honors Program; White-indicates a Latin designation on the basis of grade point average.
